2011 WELCOME
GUIDE

GUIDE

WELCOME

There's no better place on planet earth for middle school aged kampers to come and discover life as it is really meant to be lived. When children make the leap from elementary years to becoming young adults, they are confronted with the reality of developing the right friendships, fighting the temptations the world presents, and deciding what path of purity they will take. It's not easy, but it can be exciting when you do things the right way.

K-West is eager to help your Kamper discover God's best for them in critical character areas and form a strong foundation for the high school years

that lie just around the corner. It's a privilege to join you in helping your kids develop as leaders through life changing experiences centered in Godly relationships. We desire this to be the most fun and exciting time of their entire year!

You will find some helpful hints in this publication to make your time here more enjoyable. Feel free to email or call if we can answer any questions. We can't wait to be with you!

How to pack for the **BEST SUMMER EVER!**

LUGGAGE TAGS: Regardless of how you are arriving to Kamp (plane, bus or car) we ask that you attach the luggage tags (enclosed in this mailing) to your footlocker and duffle bag. This will help ensure your luggage arrives correctly and quickly.

TRUNKS/FOOTLOCKERS: Packing a footlocker for Kamp has become an art form passed down from generation to generation. Our packing list located to the right, is all you need to pack, and it all fits, nice and neat!! In order for us to accommodate your footlocker on the buses and under cabin bunks it must not exceed 15 1/2" in height. The airlines will not accept any baggage more than 62" (total dimensions: L + W + H).

Recommended Trunk – Footlocker Company:

TrunkOutlet: (Rhino Trunk)

Please go to:

www.trunkoutletkanakuk.com to shop for trunks, duffle bags, name labels for clothing, bunk bed sheets and other Kamp items. Trunks are available in many different styles and colors. They come with a free non-cosmetic lifetime warranty. They also offer a lightweight airline trunk great for those flying to Kamp. All items on this website meet Kanakuk's requirements.

Special Note: *TrunkOutlet's trunks are available with optional removable wheels. You may purchase these, however we do not recommend their use at Kamp due to the Kamp's terrain. Also, you must remove the wheels before the trunk can be loaded onto the bus, as wheels make packing the bus difficult. In addition to the required trunk, you can pack a small duffle not to exceed 46" total dimensions (L+W+H) – also available from TrunkOutlet.*

**{TO GOD}
BE THE GLORY}**

At Kanakuk we are all about putting God first in everything and not causing "any of the least of these" to stumble. As men we always "keep our boxers covered." As women we always "dress for our countenance". Paul is clear, Scripture is clear, God is clear that a Christian has a high, high, high calling...a high standard. "In whatever you do..." Paul says, "glorify God in your body." We thank you for living "T.G.B.T.G.!!"
